					Relative to the truck, WBCS would be purchasing salt in bulk for deicing the parking lot.	1.) The school contracted with a local behavior health center to provide social work and Social Emotional Learning for students for the 2021-22 school year. The person sent to the school was not competent and the conract was cancelled. The original approved contract was \$52,500 of which only \$11,442 was spent prior to cancelling leaving \$41,058 unspent. 2.) We contracted with the YMCA of Buffalo to provide a summer school program for the 2021 and 2022 summers. The Y could not fulfill the contracts due to staffing. We staffed our own through a different funding source. The total for the two years was \$27,000.	Relative to the truck, WBCS would be paying a driving and plow stipend for employees willing to drive and work beyond the normal school day to fulfill the driving requirements.		(Provide same detail as required in FS-10 Budget)

						\$68,058			SUBTOTAL DECREASE

program opportunities outside of the school (camping, alt. outdoor classrooms, etc.). Finding safe and reliable transportation has been an issue. WBCS has two student vans but no way to transport the equipment, supplies, etc. to these outings. WBCS would like to repurpose the funds to purchase a truck which will allow for more student outings. Also help with safety since we tripled our ice "slip & fall" incidents this past year as finding reliable plow and salt contractors is impossible since COVID. This truck would be equipped with winter plow and salting equipment allowing the school to maintain a consistently safe parking lot and grounds. Total Increase or Decrease: (+) \$ 68,058 Net Increase or Decrease: 763,506	763,506			49	Proposed Amended Total:
