

Kindergarten Supply List

WBCS Kindergarten Families,

To carry things to/from home and school it is important that each child has a backpack and a folder. The folder should come to school each morning and will go home every night. In the folder you will find important paperwork from your child's teacher as well as your child's hard work!

In your child's backpack, please leave an extra change of clothes in case of accidents or spills. It is a big help to the teachers and your child! Please label this bag with your child's name.

Kindergarten Classroom Supplies:
